PLAYER AID

Setup

- Place 3 face-up in the market · deal **5 cards** to each player · complete market to 5 from the draw pile
- Camels from hand → **herd** (face-up stack in front of you)
- Goods tokens: sorted desc. by value, spread out · bonus tokens face-down by type

Your Turn — Take or Sell *(never both)*

Take

- **1 good** from the market *(replace from draw pile)*
- **2+ goods** ↔ same number from hand/herd *(min. 2 · can't return same type)*
- **All** from market → herd *(replace from draw pile)*

Sell

- Choose **1 type** · discard as many as you want
- 1 token per card sold *(highest value first)*
- **3+ cards** → take a bonus token

⚠ **Minimum 2 cards** to sell: Diamonds · Gold · Silver

Maximum **7 cards** in hand at end of turn *(camels in herd don't count)*

End of Round

- Round ends when **3 types of goods tokens are depleted** or draw pile can't refill the market
- Most camels → camel token **(5 rupees)** · tie: nobody gets it
- Most rupees → **Seal of Excellence** · loser starts next round
  - *Tie: most bonus tokens wins · still tied: most goods tokens wins*

End of Game

- First player to earn **2 Seals of Excellence** wins immediately.
